Under date of March 22, 1926, applicants were advised in writing by the Railroad Commission that their application did not propose a service within the purview of the Auto Stage and Truck Transportation Act and that their application would be dismissed without prejudice unless within 30 days from March 22, 1926, an amended application was filed substituting for the service originally proposed an operation between fixed points or over a regular route or routes. Under date of March 26, 1926, applicants, in writing, advised the Commission that they did not desire to go farther in the matter.

Now, therefore, good cause appearing,

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed, without prejudice.
