BY THE COMMISSION -

ORDER OF DISMISSAL

L. W. Mc Call has petitioned the Railroad Commission for an order declaring that public convenience and necessity require the operation by him of an auto trucking service over all roads and highways between certain points in the Counties of Sacramento, Yolo, Solano, Sutter and San Joaquin Counties.

A public hearing was conducted by Commissioner Whitsell at Sacramento and the matter submitted. Under date of March 11, 1926, the Railroad Commission advised the applicant, in writing, that the service proposed was not an operation within the meaning of the Auto Stage and Truck Transportation Act in that it was not an operation between fixed points or over a regular route or routes, and that unless within 30 days said application was amended so as to propose a service within the purview of the Act, it would be dismissed without prejudice. The 30 days have elapsed and no amendment has been filed.

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed without prejudice.
