BY THE COMMISSION -

ORDER OF DISMISSAL

Wm. Mc Dermott has petitioned the Railroad Commission for
an order declaring that public convenience and necessity require
the operation by him of an auto trucking service in the vicinity
of Grafton and in the Counties of Yolo, Sutter and Colusa.

A public hearing was conducted by Examiner Satterwhite
at Woodland and the matter submitted. Under date of March 8,
1926, the Railroad Commission advised the applicant, in writing,
that the service proposed was not an operation within the meaning
of the Auto Stage and Truck Transportation Act in that it was
not an operation between fixed points or over a regular route or
routes, and that unless within 30 days said application was
amended so as to propose a service within the purview of the Act,
it would be dismissed without prejudice. The 30 days have elapsed
and no amendment has been filed.

Now, therefore, good cause appearing,

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 26th day of April, 1926.
