BY THE COMMISSION -

ORDER OF DISMISSAL

Carey Louis La Due has petitioned the Railroad Commission  
for an order declaring that public convenience and necessity  
require the operation by him of an auto trucking service in the  
vicinity of Grafton, and in the Counties of Sutter, Yolo and  
Colusa.

A public hearing was conducted by Examiner Satterwhite at  
Woodland and the matter submitted. Under date of March 8, 1926,  
the Railroad Commission advised the applicant, in writing, that  
the service proposed was not an operation within the meaning of  
the Auto Stage and Truck Transportation Act in that it was not  
an operation between fixed points or over a regular route or  
routes, and that unless within 30 days said application was  
amended so as to propose a service within the purview of the  
Act, it would be dismissed without prejudice. The 30 days  
have elapsed and no amendment has been filed.

Now, therefore, good cause appearing,

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 26<sup>th</sup> day of April, 1926.
