BY THE COMMISSION -

ORDER OF DISMISSAL

C. Agard has petitioned the Railroad Commission for an
order declaring that public convenience and necessity require the
operation by him of an auto trucking service in Yolo, Colusa and
Sutter Counties in the vicinity of Knights Landing.

A public hearing was conducted by Examiner Satterwhite at
Woodland and the matter submitted. Under date of March 5, 1926, the
Railroad Commission advised the applicant, in writing, that the
service proposed was not an operation within the meaning of the
Auto Stage and Truck Transportation Act in that it was not an oper-
ation between fixed points or over a regular route or routes, and
that unless within 30 days said application was amended so as to
propose a service within the purview of the Act, it would be dis-
missed without prejudice. The 30 days have elapsed and an amendment
has been filed.

Now, therefore, good cause appearing,

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 26th day of April, 1926.
