BY THE COMMISSION -

ORDER OF DISMISSAL

C. E. Anderson and C. K. Mc Intyre, co-partners, have  
petitioned the Railroad Commission for an order declaring that  
public convenience and necessity require the operation by them  
of an auto trucking service in the City of Woodland and to points  
within a radius of 200 miles thereof.

A public hearing was conducted by Examiner Satterwhite at  
Woodland and the matter submitted. Under date of March 6, 1926,  
the Railroad Commission advised the applicants, in writing, that  
the service proposed was not an operation within the meaning of  
the Auto Stage and Truck Transportation Act in that it was not  
an operation between fixed points or over a regular route, or  
routes, and that unless within 30 days said application was amended  
so as to propose a service within the purview of the Act, it would  
be dismissed without prejudice. The 30 days have elapsed and no  
amendment has been filed.

Now, therefore, good cause appearing,

IT IS HEREBY ORDERED that this application be and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 26<sup>th</sup> day of April, 1926.
