

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
SOUTHERN PACIFIC COMPANY for authority
to abandon non-agency station at Arnez,
County of Ventura, State of California.

} Application
No. 12852

ORIGINAL

BY THE COMMISSION -

OPINION and ORDER

Southern Pacific Company, a corporation, has petitioned the Railroad Commission for an order authorizing the abandonment of its non-agency station at Arnez in Ventura County on its Los Angeles Division.

Applicant alleges that there was no passenger or freight business handled from such station during the yearly period ending February 28, 1926; that there are no tariff fares published in connection with passenger business to or from such non-agency station; that the abandonment of said non-agency station will not involve the abandonment of any facilities; that in the opinion of applicant the continued maintenance of a non-agency station at this point is not required by the public or the business of the applicant.

We are of the opinion that this is a matter in which a public hearing is not necessary and that the application should be granted.

IT IS HEREBY ORDERED that applicant, Southern Pacific Company, a corporation, be and the same hereby is authorized to abandon its non-agency station of Arnez in Ventura County on its Los Angeles Division and to eliminate said station name from its station records.

Dated at San Francisco, California, this 29th day of May, 1926.
