

Decision No. 10881.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the petition of Pacific Electro Metals Company, a corporation, for an investigation, on the Commission's own motion, into the rates, rules and practices of Pacific Gas & Electric Company, a corporation, Great Western Power Company, a corporation, and Sierra and San Francisco Power Company, a corporation.

Application No. 3019.

ORIGINAL

BY THE COMMISSION:

ORDER OF DISMISSAL

WHEREAS, the matters set forth in this application have been passed upon by the Commission in other proceedings involving the utilities in question and fully decided, the above entitled application is hereby dismissed.

Dated at San Francisco, California, this 10th day of June, 1926.

H. B. Brundage

C. C. Seaver

Leon Whitely

Commissioners.
