BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of W. L. VANDIVER for certificate of public convenience and necessity to operate freight truck service between Corona and various points in Southern California within radius of 60 miles thereof.

Application No.12153

BY THE COMMISSION -

ORDER OF DISMISSAI

WHEREAS, the applicant in the above entitled proceeding having been fully advised as to the certificating requirements of the Auto Stage and Truck Transportation Act, and, in view of the Commission's decision in the matter of the application of Ben Moore (Decision No.15818), of the necessity of amending his application by proposing a service between fixed points or over a regular route, and

WHEREAS, applicant has not amended said application, Now, therefore, good cause appearing,

IT IS HERRBY ORDERED that this application be, and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 29 day of June, 1926.

Comissioners.
