goles, on the one hand, and (2) )  
Baldwin Park, Covina, Azusa, Glendora, )  
San Dimas, La Verne, Pomona, Clare- )  
mont and Upland, on the other hand. )

APPLICATION NO. 11301

**ORIGINAL**

SUPPLEMENTARY ORDER

BY THE COMMISSION:

WHEREAS, by Decision No. 16035 of this Commission, dated March 2, 1926, applicant herein was granted a certificate to establish and operate freight service between Los Angeles, Baldwin Park and certain other points, and in the issuing of said Decision the commodity of fertilizer was inadvertently omitted from the list of commodities which said applicant was authorized to transport. And it now appearing to this Commission that said error should be corrected, in justice to the applicant herein,

IT IS HEREBY ORDERED that lines one to six inclusive on page seven of said Decision No. 16035 be and the same are hereby amended to read as follows:

"..... demand, of packed citrus products from packing houses, orange oil, fruit juices, household goods, lumber, fertilizer, orchard heaters and fuel therefor, building material (including paper and wall board), packing house supplies (including paper wraps, box shock, machinery, nails, fuel shavings and briquets), and of no other commodities, over and along the following routes:"

Dated at San Francisco, California, this 11<sup>th</sup> day of August 1926.
