

Decision No. 17315-

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
PACIFIC ELECTRIC RAILWAY COMPANY, a  
corporation, for authority to abandon  
team track between Main Street and  
Almond Street, in the City of Compton,  
County of Los Angeles, California. )  
Application  
No. 13128

ORIGINAL

BY THE COMMISSION -

OPINION and ORDER

Pacific Electric Railway Company, a corporation, has petitioned the Railroad Commission for an order authorizing the abandonment and removal of a certain team track, five hundred ninety (590) feet in length, between Main Street and Almond Street in the City of Compton, County of Los Angeles, and more particularly described as follows:

"That certain team track lying easterly of the Long Beach line of the Pacific Electric Railway in the City of Compton, State of California, commencing at the point where the track intersects the north line of Lemon Street, thence southerly a distance of 590 feet to the end of said team track."

The track, herein proposed to be abandoned and removed, is more fully shown in yellow color on a blue print map marked "C.E.R. 9820" as attached to and forming a part of the application herein.

Applicant alleges that the City of Compton has constructed a new city hall and fire department headquarters on the westerly side of Wilmington Street, between Palm Street and Almond Street; that said City of Compton has complained to applicant regarding cars standing on applicant's team track in front of the city hall; that cars standing on said track obstruct the view of highway traffic on Main Street and on Palm Street thereby creating hazard of accident; and that applicant has provided team track facilities for the public in connection with a spur track to serve the Samson Tire & Rubber Company, such track being constructed under the

authority of this Commission's Decision No.17068 on Application No.12954, as decided July 3, 1926.

We are of the opinion that this is a matter in which a public hearing is not necessary and that the application should be granted.

IT IS HEREBY ORDERED that applicant Pacific Electric Railway Company, a corporation, be and the same hereby is authorized to abandon and remove that certain team track in the city of Compton, County of Los Angeles, said track being more fully shown in yellow color on a blue print map marked "C.E.R. 9820" attached to the application herein and being described as follows:

"That certain team track lying easterly of the Long Beach main line of the Pacific Electric Railway in the City of Compton, State of California, commencing at the point where the track intersects the north line of Lemon Street; thence southerly a distance of 590 feet to the end of said team track."

Dated at San Francisco, California, this 8th day of September, 1926.
