Application No. 11466.

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

Good Cause Appearing,

IT IS HEREBY ORDERED that Condition (2) of the Commis-  
sion's Decision No. 15308, dated August 18th, 1925, in the above  
entitled matter, reading as follows:

(2) All trains, motors, engines or cars of applicant  
and of Pacific Gas and Electric Company shall stop before  
going upon or over said crossing and shall not proceed there-  
over until it has been ascertained that it is safe so to do;

be and it is hereby amended to read as follows:

(2) Operation over said crossing shall be so con-  
ducted that interurban trains or cars shall at all times  
have the right-of-way over street cars or cars operated  
in street railway service, whether operated on street rail-  
ways or on interurban railways, and all such street cars or  
cars operated in street railway service shall, before reach-  
ing the crossing, be brought to a full stop at a point on  
the track approximately thirty (30) feet from the crossing,  
and all interurban trains or cars shall operate over said  
crossing under control and at a speed not in excess of  
five (5) miles per hour. In the event that a traffic officer  
or flagman is stationed at said crossing, all trains and cars  
shall be brought to a stop on signal by said traffic officer  
or flagman, and shall not proceed over the crossing until  
given permission by such traffic officer or flagman.

In all other respects this Commission's Decision No. 15308, of August 18th, 1925, in this matter shall remain in full force and effect.

Dated at San Francisco, California, this 8<sup>th</sup> day of September, 1926.
