

Decision No. 17591

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application of)
SOUTHERN PACIFIC COMPANY for)
authority to abandon non-agency) Application No. 12974
station of Geiger, County of Lassen,)
State of California.)

BY THE COMMISSION -

ORIGINAL
OPINION and ORDER

Southern Pacific Company, a corporation, has petitioned the Railroad Commission for an order authorizing the abandonment of its non-agency station of Geiger located on the Fernley-Lassen Branch of the Salt Lake Division in Lassen County.

Applicant alleges that the maintenance of the non-agency station is not necessary for the public and its patrons, said station being located within the switching limits of Susanville station yard; that no passenger business was transacted at said non-agency station during the yearly period ending February 28, 1926, there being no tariff fares published in connection with passenger business; that all freight business transacted during the yearly period ending February 28, 1926, was carload freight received, and such freight will hereafter be cared for by the Susanville agency; and that the abandonment of the non-agency station will not involve the abandonment of any facilities.

We are of the opinion that this is a matter in which a public hearing is not necessary and that the application should be granted.

IT IS HEREBY ORDERED that applicant Southern Pacific Company, a corporation, be and the same hereby is authorized to abandon the maintenance of a non-agency station at Geiger on the Fernley-Lassen Branch of its Salt Lake Division, in Lassen County, and to eliminate

said non-agency station name from its station records.

Dated at San Francisco, California, this 10th day of
November, 1926.
