BY THE COMMISSION:

ORDER OF DISMISSAL.

J. P. Hoffman and A. H. Hoffman, co-partners doing business under the name of Hoffman Bros., have petitioned the Railroad Commission for an order declaring that public convenience and necessity require the operation by them of an automobile trucking service between San Francisco and Oakland and the farming districts located in the vicinity of Castroville, Springfield and Carmel Valley.

A public hearing on said application was conducted before Examiner Satterwhite at Watsonville, the matter was submitted and is now ready for decision.

The evidence of applicants shows that the service proposed is not an operation within the meaning of the Auto Stage & Truck Transportation Act, in that it is not an operation between fixed points or over regular route or routes, and the application should be dismissed without prejudice, and

Good cause appearing therefor,

IT IS HEREBY ORDERED that said application be and the same is hereby dismissed without prejudice.
