Application No. 11723.

BY THE COMMISSION:

ORDER OF DISMISSAL

This proceeding was filed September 22, 1925 and was defective inasmuch as it sought authority to make certain tariff changes involving transfers which at the time of filing were not published in a tariff legally in effect. Many letters have been addressed to the attorney for complainant and the president of the corporation, but were productive of no helpful results. As the application has been in our files for more than one year and the record is still deficient there appears no sufficient reason for holding it on the Docket for a longer period, and an order will be issued dismissing the application.

IT IS HEREBY ORDERED, good cause appearing, that Application No. 11723 be and the same hereby is dismissed without prejudice.

Dated at San Francisco, California, this 30th day of December, 1926.
