BY THE COMMISSION:

ORDER DENYING REHEARING

The Railroad Commission by its Decision No. 17542, dated October 29, 1926, in the above entitled proceedings, granted to Thousand Oaks Water Company, a corporation, a certificate of public convenience and necessity to operate a water system, and also established therein a schedule of rates to be charged for the service to be rendered. On November 20, 1926, Thousand Oaks Water Company filed a petition for a rehearing of Application No. 13111; and on December 10, 1926, the Commission issued its Second Supplemental Order, Decision No. 17742, extending the effective date of said Decision No. 17542 during the pendency of the Commission's consideration of said petition.

The Commission is of the opinion that no issues have been raised by this petition which have not been fully considered in arriving at the decision rendered in this matter; and other good cause appearing, now therefore

IT IS HEREBY ORDERED that said petition for rehearing be and the same is hereby denied.

Dated at San Francisco, California, this 3<sup>rd</sup> day of February, 1927.
