BY THE COMMISSION:

O R D E R

The American Railway Express Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its agency at Glenwood on the Coast Division of the Southern Pacific Company in the County of Santa Cruz, State of California.

Applicant alleges that \$412.12 express business was transacted at the agency of Glenwood during the annual period ending February 28, 1927; that applicant has been unable to find an outside party who is willing to handle the agency after Southern Pacific Company closes its agency as provided in Decision No. 18026 in Application No. 12620; and that, in the opinion of applicant, the continued maintenance of the agency is not necessary for the business of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to the American Railway Express Company, a corporation, to abandon its agency at Glenwood, located on the Mayfield-

Santa Cruz branch line of the Coast Division of the Southern Pacific Company, in the County of Santa Cruz, State of California, and to eliminate said agency name from its station records; provided, however, that coincident with the abandonment of said agency applicant will accept and deliver express shipments at the express car door by messenger upon trains stopping at that point.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 13th day of April, 1927.
