Application No. 13539.

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

The Commission by Decision No. 18162, dated April 4, 1927, in the above entitled matter, authorized the Imperial Utilities Corporation to issue \$125,000.00 of bonds subject, among others, to the condition that the authority to issue such bonds will not become effective until the Commission has authorized the corporation to execute a mortgage and/or deed of trust. In its decision the Commission indicates certain changes that should be made in the corporation's proposed mortgage and/or deed of trust filed in this proceeding as applicant's Exhibit No. 2. The corporation has submitted (received April 12th) revised pages of its proposed mortgage and/or deed of trust making all the changes suggested by the Commission.

The Commission has given further consideration to

applicant's request for permission to execute ^a/mortgage and/or deed of trust and believes that such request should be granted as herein provided, therefore,

IT IS HEREBY ORDERED that the Imperial Utilities Corporation be, and it is hereby, authorized to execute a mortgage and/or deed of trust substantially in the same form as the mortgage and/or deed of trust filed in this proceeding as applicant's Exhibit No. 2, provided that said Exhibit No. 2 be modified as indicated in the corporation's letter of April 11th received by this Commission on April 12th and, provided further, that the authority herein granted to execute a mortgage and/or deed of trust is for the purpose of this proceeding only and is granted insofar as this Commission has jurisdiction under the terms of the Public Utilities Act and is not intended as an approval of said mortgage and/or deed of trust as to such other legal requirements to which said mortgage and/or deed of trust may be subject.

IT IS HEREBY FURTHER ORDERED that within thirty (30) days of the execution of said mortgage and/or deed of trust referred to herein the Imperial Utilities Corporation shall file with the Railroad Commission two certified copies thereof.

DATED at San Francisco, California, this 15th day of April, 1927.
