

Decision No. 18564

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of
SOUTHERN PACIFIC COMPANY for author-
ity to close agency at Blue Canon
Station, County of Placer, State of
California.

Application No. 13781.

BY THE COMMISSION:

ORDER

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the closing of its agency station of Blue Canon on its Sacramento Division in Placer County, State of California.

Applicant alleges that \$1,248.00 passenger business was transacted at the agency station of Blue Canon during six alternate months of the annual period ending January 31, 1927; that \$457.00 less than carload business was transacted at said station during said annual period; and that no carload freight business was transacted at said station during the same period; that the closing of said agency station will not involve the abandonment of any facilities; and that, in the opinion of applicant, the continued maintenance of the agency at said station is not necessary for the business of the applicant or for the public.

The California Farm Bureau Federation has been consulted in this matter and through its manager, J. J. Deuel, has advised applicant that it has no objections to offer to the granting of the

application.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to close its agency station of Blue Canon located on the main line of its Sacramento Division in Placer County, State of California, and to eliminate said agency name from its station records; provided, however, that coincident with the abandonment of said agency applicant will continue service at this point as a non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 28th day of June, 1927.
