

Decision No. 18648.

**ORIGINAL**

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of  
PACIFIC ELECTRIC RAILWAY COMPANY for  
authority to abandon passenger agency  
at Cement Plant Station, on the River-  
side-Bloomington-Rialto Line.

Application No. 13,916.

BY THE COMMISSION:

O R D E R

Pacific Electric Railway Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its agency at Cement Plant on its Eastern Division in Riverside County, State of California.

Applicant alleges that Three thousand two hundred and seventy-two dollars and ten cents (\$3,272.10) passenger business was transacted at the agency station of Cement Plant during fifteen (15) months period ending March 31, 1927; that the management of Riverside Portland Cement Company has been interviewed and is agreeable to the discontinuing of sale of commutation tickets at this agency; that the abandonment of said agency will not involve the abandonment of any facilities; and that, in the opinion of applicant, the continued maintenance of the agency station is not necessary for the business of the applicant or for the public.

An investigation by the Commission verifies the statement of the applicant that the management of the Riverside Portland Cement Company is agreeable to the granting of the application.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Pacific Electric Railway Company, a corporation, to abandon its agency at Cement Plant located on the Riverside-Bloomington-Rialto Branch of its Eastern Division in Riverside County and to eliminate said agency name from its station records; provided, however, that coincident with the abandonment of said agency station applicant will continue to serve this station as a non-agency station by all trains stopping at that point.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup> day of July, 1927.
