

Decision No. 18913

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of the Sunset Railway Company for auth- ority to abandon non-agency station of Copen, in the County of Kern, State of California.
--

Application No. 14106.

ORIGINAL

BY THE COMMISSION:

ORDER

The Sunset Railway Company has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Copen in Kern County, State of California.

Applicant alleges that no business was transacted at the non-agency station of Copen during the past several years; that the Union Oil Company, the only interested shipper and receiver of carload freight at the station of Copen, has been interviewed by applicant and has expressed its approval to the proposed abandonment; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

The California Farm Bureau Federation, through its Manager, Mr. J. J. Deuel, has advised this Commission that it has no objections to offer to the granting of this application.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to the Sunset Railway Company to abandon its non-agency station of Copen located in Kern County, State of California, and to eliminate said non-agency name from its station records; and to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules to and from said point.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 8th day of October, 1927.
