

Decision No. 19118 .

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of the People of the State of California in Relation of the California Highway Commission for an Order authorizing the construction of a State Highway crossing under the tracks of the Southern Pacific Railroad, a corporation, near Applegate, Placer County.

Application No. 9435.

ORIGINAL

In the Matter of the Application of the People of the State of California in Relation of the California Highway Commission for an order authorizing the construction of a State Highway crossing under the tracks of the Southern Pacific Railroad, a corporation, near Applegate, Placer County.

Application No. 9436.

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

California Highway Commission, applicant herein, on July 6th, 1927, filed with this Commission a letter requesting that the plans filed with Applications No. 9435 and No. 9436 and approved in this Commission's Decision No. 13704, dated June 16th, 1924, be withdrawn and that the plans, dated June 28th, 1927, filed with said letter of July 6th, 1927, be substituted therefor. Southern Pacific Company has advised the Commission by letter, dated November 4, 1927, that it has no objection to the proposed changes in plans. It appears to the Commission that this is not a matter in which a public hearing is necessary and that said requests are reasonable and should be granted, therefore

IT IS HEREBY ORDERED that Decision No. 13704, dated June

16th, 1924, be and it is hereby amended as follows:

That the third paragraph on Page 4 of said Decision No. 13704, reading as follows:

"All of the above grade separations to be constructed in locations as shown by maps attached to the respective applications, subject to the following conditions, viz:"

be and it is hereby amended to read as follows:

"The grade separation near Weimar to be constructed in a location as shown by the map attached to Application No. 9434, and the two grade separations near Applegate, Applications No. 9435 and No. 9436, be constructed at locations as shown by the maps, dated June 28th, 1927, and filed with this Commission July 6th, 1927, subject to the following conditions, viz:"

In all other respects this Commission's Decision No. 13704, dated June 16th, 1924, shall remain in full force and effect.

Dated at San Francisco, California, this 10th day of December 1927.
