

Decision No. 19374

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
COASTSIDE TRANSPORTATION COMPANY, a
corporation, for an order declaring that
public convenience and necessity require the
linking, joining, uniting, and consolidating
of its operative rights and the operation as
a common carrier of a unified and consoli-
dated service over its several routes for
the transportation of passengers and baggage
for compensation over the public highways
between San Francisco, Pescadero, and Santa
Cruz, California, and all intermediate points
via the so-called Coast Route, and for the
transportation of freight and express for
compensation over the public highways between
San Francisco, Pescadero, Santa Cruz and all
intermediate points, San Mateo and Half Moon
Bay, California, via said so-called Coast
Route; also for authority to establish
passenger fares, baggage, freight, and express
rates, charges, classifications, rules and
regulations, and passenger, freight, and
express time tables applicable over the
unified and consolidated operative rights;
and for a certificate of public convenience
and necessity in said matter.

No. 11801

BY THE COMMISSION -

ORDER DENYING APPLICATION
TO REOPEN PROCEEDINGS.

In an application supplemental to Application No. 11801, Coastside Transportation Company, a corporation, has asked for an order of the Commission re-opening the above entitled matter to enable it to present to the Commission the evidence of one Neil Forest, predecessor in interest to Coastside Transportation Company, as to certain automotive operations between San Francisco and Halfmoon Bay via San Mateo by Forest prior and subsequent to May 1, 1917.

After full consideration of the allegations set forth in the supplemental application as justification for the order reopening the proceeding, the Commission is of the opinion that the supplemental application herein should be denied. Therefore,

IT IS HEREBY ORDERED that the supplemental application herein be and the same hereby is denied.

Dated at San Francisco, California, this 14th day of February, 1928.
