

Decision No. 19482.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application  
of Pacific Electric Railway Com-  
pany for authority to remove  
freight platform at Bingham Station,  
on its Santa Ana Line.

Application No. 14,398.

**ORIGINAL**

BY THE COMMISSION:

O R D E R

Pacific Electric Railway Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its freight platform at Bingham on its Santa Ana Line, Southern Division, in Los Angeles County, and shown in yellow on a blue print map (C.E.R. 11032) attached to and forming a portion of the application.

Applicant alleges that no less than car-load business was transacted at said station during the year 1927 and that the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Pacific Electric Railway Com-

pany, a corporation, to abandon its freight platform at Bingham, located on the Santa Ana line of its Southern Division in Los Angeles County.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 16<sup>th</sup> day of March, 1928.
