In the Matter of the Application of  
DAISY NOEL, as owner of Lomita Park  
Water Works, for an order authorizing  
a change of rates and establishing a  
charge for fire hydrants in Lomita  
Park, San Mateo County, California.

Application No. 14585.

BY THE COMMISSION:

ORDER

Daisy Noel, who owns and operates the Lomita Park Water Works, a public utility supplying water for domestic and municipal purposes in the unincorporated community of Lomita Park, San Mateo County, has entered into an agreement with the Trustees of Lomita Park Fire District of San Mateo County, California, for the installation of certain additional and increased facilities for fire protection purposes, which, it is alleged, will result in a reduction in the fire insurance premiums at present paid in Lomita Park of approximately 12½ per cent in the aggregate.

In view of the fact that said additional and increased facilities are not now necessary to adequately supply existing demands for domestic service, said fire district, through its duly elected and qualified Board of Trustees, has agreed to pay the following fire hydrant rentals:

One Hundred Dollars (\$100.) per month for nineteen (19) standard double fire hydrants to be installed by Lomita Park Water Works, and, in addition, \$2.00 per month for each fire hydrant installed over 19, provided said utility installs, at its own expense, said improved facilities, which are more particularly described in Exhibits "A" and "C" attached to the application herein and estimated to cost approximately \$13,302.

The said Daisy Noel and the Trustees of Lomita Park Fire District having mutually agreed upon said fire hydrant rates, the action of said Trustees of Lomita Park Fire District being duly authorized by a resolution of the Board of Supervisors of the County of San Mateo, regularly introduced and adopted on the second day of April, 1928, said Trustees of Lomita Park Fire District and the Board of Supervisors of the County of San Mateo having joined in this application, it appearing that this is not a matter in which a public hearing is necessary and that the best interests of the public require that this application be granted,

IT IS HEREBY ORDERED that Daisy Noel, owner of Lomita Park Water Works, be and she is hereby authorized and directed to file with the Commission, within thirty (30) days from the date of this order, the following rates for fire hydrant rental, said rates to be charged for all service rendered subsequent to the thirty-first day of May, 1928.
