BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of application of SOUTHERN PACIFIC COMPANY for an order authorizing the abandonment of non-agency station at Fulda, County of Placer, State of California, and the abandonment and removal of 4 spur tracks at said Fulda Station.

Application No. 14896.

BY THE COMMISSION:

## $O \underline{R} \underline{D} \underline{E} \underline{R}$

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Fulda on its Sacramento Division in Placer County, and requesting permission to abandon and remove four (4) spur tracks as shown in yellow on a blue print map (Sacramento Division Drawing S-493a) attached to and forming a portion of the application.

Applicant alleges that no passenger business was transacted at the non-agency station of Fulda during the annual period ending December 31st, 1927; that no freight business was transacted at said station during the same period; that the industries for whom the spur tracks were built have dismantled and removed their plants; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public. The California Farm Bureau Federation has signified by letter
