

Decision No. 20599.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of
SOUTHERN PACIFIC COMPANY for authority
to abandon non-agency station of Hoyt,
County of Solano, State of California.)

Application No. 15,218.

ORIGINAL

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Hoyt on its Western Division in Solano County.

Applicant alleges that passenger business was transacted at the non-agency station of Hoyt during the annual period ending July 31, 1928, amounting to two (2) dollars; that no freight business was transacted at said station during said period; that the abandonment of said non-agency station will not involve the abandonment of any facilities; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

The California Farm Bureau Federation has signified by letter that it has no representations to make in this matter.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore

IT IS HEREBY ORDERED that permission and authority be

and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of Hoyt, located on the main line of its Western Division in Solano County and to eliminate said non-agency name from its station records, and to cancel in conformity with the rules of this Commission all rate tariffs and time schedules applying at said non-agency station; provided, however, that coincident with the abandonment of said non-agency station applicant will not abandon any facilities at said location.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 14th day of December, 1928.
