

Decision No. 20755.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of SOUTHERN PACIFIC COMPANY for authority to abandon non-agency station of Zeta, County of Placer, State of California.

Application No. 15361.

**ORIGINAL**

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Zeta on its Sacramento Division in Placer County.

Applicant alleges that no passenger or freight business was transacted at the non-agency station of Zeta during the annual period ending October 31, 1928; that the abandonment of said non-agency station will not involve the abandonment of any facilities; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

The California Farm Bureau Federation has signified by letter that it has no objection to the granting of this application.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation,

to abandon its non-agency station of Zeta, located on the main line of its Sacramento Division in Placer County and to eliminate said non-agency name from its station records, and to cancel in conformity with the rules of this Commission all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 8<sup>th</sup> day of February, 1929.
