

Decision No. 21233.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of
SOUTHERN PACIFIC COMPANY for an order
authorizing the closing of the ticket
agency station at Vallejo Junction and
the abandonment and removal of station
building, umbrella shed and ferry slip
structure at said Vallejo Junction
Station, all in the County of Contra
Costa, State of California.

Application No. 14173.

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its agency station of Vallejo Junction, the station building and other station facilities and the ferry slip located at said station on its Western Division in Contra Costa County, and shown in yellow on a blue-print map (Southern Pacific Company-Vallejo Junction - Abandon Station Facilities) attached to and forming a portion of the application.

This station is the terminal point for the ferry operated by the Southern Pacific Company between its main line on the southerly shore of Carquinez Strait and its branch lines terminating at South Vallejo.

The Commission in its Decision No. 21194, dated June 10, 1929, in Application No. 14085, et al, granted the Southern Pacific Company permission to discontinue the operation of said ferry and, consequently, the continued maintenance of said agency station and facilities at Vallejo Junction are not necessary for the business

of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its agency station of Vallejo Junction, the station building and other station facilities and the ferry slip located at said station, on its Western Division in Contra Costa County and to eliminate said agency name from its station records, and to cancel in conformity with the rules of this Commission all rate tariffs and time schedules applying at said agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 17th day of June, 1929.
