ORIGINAL

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of West Anaheim Junction on its Los Angeles Division in Orange County, California.

Applicant alleges that no passenger or freight business was transacted at the non-agency station of West Anaheim Junction during the annual period ending March 31st, 1929; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED: that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of West Anaheim Junction, located on its Los Angeles Division in Orange County, and to eliminate said non-agency name from its station records, and to cancel, in conformity

with the rules of this Commission, all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 8th day of July, 1929.
