Decision No. 21707.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of SOUTHERN PACIFIC COMPANY for authority to abandon non-agency station of Asphalto, County of Kern, State of California.

Application No. 16010.

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Asphalto, on its San Joaquin Division, in Kern County, and to cancel all tariffs and time table schedules covering said Asphalto.

Applicant alleges that no passenger or freight business was transacted at the non-agency station of Asphalto for the year ending May 31st, 1929; that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public; and, that the abandonment of said non-agency station will not involve the abandonment of any facilities used for receipt or delivery of freight or passengers. It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of Asphalto, located on

the Asphalto Branch of its San Joaquin Division in Kern County, to eliminate said non-agency name from its station records; provided, however, that coincident with the abandonment of said non-agency station applicant will not abandon any of the facilities at said Asphalto Station, and cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 24th day of October, 1929.
