Application No. 16230

BY THE COMMISSION:

ORDER GRANTING CONSENT TO  
EXTEND TERM OF CORPORATE EXISTENCE

By its verified petition, the Southern California Edison Company, a corporation, prays that the Railroad Commission give its consent to the extension of its corporate existence for a term of fifty (50) years from December 31, 1929. It appears that its Board of Directors has determined that it is for the best interests of the corporation that its term of existence be extended for such a period. The consent of this Commission to such extension is required under the provisions of the Civil Code, Section 401.

It appearing that such consent should be given, and that this is not a matter on which a public hearing is required, therefore,

IT IS HEREBY ORDERED by the Railroad Commission of the State of California that consent be and is hereby given

to Southern California Edison Company to extend the term of its corporate existence to and including the 31st day of December, 1979.

Dated at San Francisco, California, this 20<sup>th</sup> day of January, 1930.
