

Decision No. 22085

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	}	Application No. 14782
ORANGE COUNTY WATER COMPANY,		
a corporation, for authority to		
issue stock.		

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

WHEREAS, Orange County Water Company, on June 11, 1928, filed its application as above entitled, for permission to issue \$267,300.00 of common capital stock, and

WHEREAS, the Railroad Commission, by Decision No. 20032, dated July 11, 1928, authorized the company to issue \$231,800.00 of stock, holding in abeyance the request so far as the remaining \$35,500.00 of stock was concerned until additional information had been submitted, and

WHEREAS, counsel for applicant during the hearing held on December 4, 1929 on Application No. 16054, involving, among other things, the transfer of applicant's properties to American States Water Service Company of California, stipulated that Application No. 14782 involving the issue of said \$35,500.00 of stock might be dismissed, therefore,

IT IS HEREBY ORDERED that the request of Orange County Water Company to issue \$35,500.00 of stock be, and it hereby is, dismissed.

DATED at San Francisco, California, this 3rd day of February, 1930.
