izing the issue of bonds.   )

BY THE COMMISSION:

FIFTH SUPPLEMENTAL ORDER

        Conservative Water Company by Decision No. 19204,
dated January 3, 1928, was authorized to issue and sell, at not less
than 93 percent of the face value, $35,000.00 of first mortgage
bonds and to use the proceeds to reimburse its treasury and to
finance the costs of certain improvements.

        In the supplemental petition filed in the above
entitled matter on February 28, 1930, the company reports that be-
cause economies could be effected by replacing mains in advance of
streets being permanently paved by the City of Los Angeles in that
portion of the City of Los Angeles, formerly the City of Watts, and
by Los Angeles County in territory outside of said city, it has
departed from its construction program, as heretofore submitted in
this proceeding. A detailed schedule of the work done, or to be
done, is attached to the supplemental petition filed on February 28,
1930. The amount of bond proceeds which applicant desires to use
for the aforesaid purposes is $13,985.61. We feel that the expen-
ditures outlined in the supplemental petition filed February 28,1930,
are reasonable and should be approved, therefore,

IT IS HEREBY ORDERED that the order in Decision No. 19204, dated January 3, 1928, be, and it hereby is, amended so as to permit the expenditure by Conservative Water Company of $13,985.61 of the proceeds realized through the issue of the bonds authorized by said decision for the purposes indicated in the supplemental petition filed in this application on February 28, 1930.

IT IS HEREBY FURTHER ORDERED that the order in Decision No. 19204, dated January 3, 1928, shall remain in full force and effect, except as modified by this Fifth Supplemental Order.

DATED at San Francisco, California, this _20th_ day of March, 1930.
