BY THE COMMISSION:

ORDER OF DISMISSAL

The above entitled application was filed by the County of Los Angeles on June 12, 1929. The matter was set for hearing before Examiner Gannon on October 24, 1929, and continuances were thereafter had from time to time at request of applicant. On March 20, 1930, counsel for applicant appeared at a public hearing and requested that the matter either be continued or dismissed without prejudice.

In view of the fact that it is extremely doubtful whether the county actually desires the construction of this crossing, it appears advisable to dismiss the application without prejudice.

IT IS HEREBY ORDERED that the above entitled application be and the same is hereby dismissed without prejudice.

Dated at San Francisco, California, this 25 day of  
March, 1930.
