BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
 Southern Pacific Company for an order
 authorizing the abandonment of non-
 agency station at Rucker, County of
 Santa Clara, State of California, and

Application No. 16568.

ORIGINAL

BY THE COMMISSION:

ORDER

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station at Rucker on its Coast Division in Santa Clara County, and the abandonment and removal of a spur track at said station, shown in yellow on a blue print map attached to and forming a portion of the application.

Applicant alleges that passenger business, in the amount of Two (2) Dollars, was transacted at the non-agency station of Rucker during the annual period ending October 31st, 1929; that no less than carload business was transacted at said station during said annual period; that carload freight business, in the amount of Forty-eight (48) Dollars, was transacted at said station during the same period and that, in the opinion of applicant, the continued maintenance of the non-agency station and spur track

is not necessary for the business of the applicant or for the public.

California Farm Bureau Federation has signified, by letter, that it has no objection to granting the application.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of Rucker, located in Santa Clara County, to abandon and remove a spur track at said station, to eliminate said non-agency name from its station records and to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 10th day of June, 1930.
