

Decision No. 22522.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application  
of SOUTHERN PACIFIC COMPANY, for  
authority to abandon non-agency  
station of Brockman, County of  
Lassen, State of California.

Application No. 16569.

**ORIGINAL**

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Brockman on its Salt Lake Division in Lassen County, State of California.

Applicant alleges that passenger business to the amount of \$18.00 was transacted at the non-agency station of Brockman during the annual period ending January 31, 1930, and that no freight business was transacted at said station during the same period; that the abandonment of said non-agency station will not involve the abandonment of any facilities; and that, in the opinion of applicant, the continued maintenance of the non-agency station is not necessary for the business of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application

should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of Brockman, located on its Salt Lake Division in Lassen County and to eliminate said non-agency name from its station records, and to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 10<sup>th</sup> day of June, 1930.
