Decision NO. $\qquad$
ESTORE THE RNTIROAD COMNTSSION OF TEE STATE OF CAITFORNIE.

In the matter of the Appifcation of Tha People of the State of Californfa on relation of the Dopartment of Pablic Torles, Division of Eighweys, for an ordor authosizing the alteration of a

Application No. 16653. State Elekway crossing at grace ovex the track and spar track of the Amador Centrai Railroad mear Diartell, (mador Cownty, Colisornia.

BY REIE COMMOSSION:

## 요를

The Poople of tho State of Califomise, on relation of the Dopartmont of Public Worics, Division of Eighways; fined the above entitiod application with tils Commission on the 28th day of June, 1930, asking for authority to widen and improre a public highway known as State Ronte NO. 65 at grade across the tracke of Amador Contral Railroad in the vicinfty of MarteiI, Amador Comby, (Crossing No. 22-11.9) as hereinafter sot forth. Sa1d amedor Contral Railroad has signified by letter that it bas mo objection to the construction of said crossing at grade, and it appears to this Comission that the present procoeding is not one in which a pubifc hearine is nocessary; that it is neithor reasonable nor practicable at this time to provide a grade separation or to aroid a grace crossing with said tracks at the point mentioned in this appifcation, and that this application should be granted, subject to the condition herodnarter spect-
thod, thererore
II IS SEFREBY ORDERED that je minssion and atithomity bo and it $1 s$ bereby ganted to the Poople of tho State of Califoxnia, on relation of the Deparment of Pabilc Forice, Division of Efghways, to widen and improve said State Route Mo. 85 at grade across the trackr of the amador ContreI Railroad at the Iocation herelnafter particularly described and as shome by the map attached to the appifcetion and identrifed as Crossing No. 12-11.8.

Said croesing shail be widenod and inproved arbject to the IOIlowing conditions:
(I) Tho cost of widening and fmproving the crossine shail bo boxne by epplicant. The cost of maintenance of that portion of said crossing outside of Ines two (2) feot outside. of the outsite rails shall be borne by applyognt. Then wintemance of that portion of the crossfng betweon Ifíns, two (2) feet outside of the outsice rails shall bo borne b' amador Contrai Railroad.
(2) The crossing shail bo constructed of a wieth approzimately twonty-five (25) feet and at an angie and with erades of approach as shown by brifibst "a" attachod to the appifcation; shay be constructed suostantialiy in accordance with Stamerd No. 3 as specified in General ordor No. 72 of this Comosision; shail be protected by two standard No. 1 cressing sifas as speciviod 1n Gemezal Orez No. 75 of this Comussion, and shail in overy way be made suitable for the passeago thereon of vebieles and other road tratific.
(3) AppIIcant shail, within thirty (30) days thereattor, notify this Comission, in Writing, of the completion of the 2nstilation of said crossing.
(4) If sail crossing shail not hate been instalied Within one year Irom the date of this oxiex, the authorizathon
herein grated shall then Lapse and become void, pies further then is granted by scbsequent order.
(5) The Commission reserves the right to make such furthey orders relative to the Location, construction, operation, maintenance sid protection oi sail crossing es to it may seem
 the praise convenience and necessity demand such action.

The authority heresy granted shall become effective on the date hereof.

Dated at San Francisco, Colifomite, this
 01 $\qquad$ ; 2930.

Commissioners.
