ORIGINAL

Application No. 16855.

BY THE COMMISSION:

ORDER

Southern Pacific Company, a corporation, has filed with the Commission an application for an order authorizing the abandonment of its non-agency station of Pioneer on its Shasta Division in Siskiyou County, California.

Applicant alleges that no passenger business was transacted at the non-agency station of Pioneer during the annual period ending April 30, 1930; that One hundred and ninety two (192) dollars of less than carload business was transacted at said station during said annual period; that carload freight business in amount of \$68,482.00 was transacted at said station during the same period; that said station is proposed to be included in the switching limits of Mt. Shasta (agency station); that the freight business now handled at Pioneer Station can be conveniently handled at Mt. Shasta Station; that the abandonment of said non-agency station will not involve the abandonment of any facilities; and, that, in the opinion of applicant, the continued maintenance of the non-agency station

is not necessary for the business of the applicant or for the public.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore,

IT IS HEREBY ORDERED that permission and authority be and it is hereby granted to Southern Pacific Company, a corporation, to abandon its non-agency station of Pioneer, located on the main line of its Shasta Division in Siskiyou County and to eliminate said non-agency name from its station records, and to cancel in conformity with the rules of this Commission all rate tariffs and time schedules applying at said non-agency station.

The authority herein granted shall become effective on the date hereof.
