In the matter of the application of PACIFIC GAS AND ELECTRIC COMPANY, a corporation, for an order of the Railroad Commission of the State of California, granting to applicant a certificate of public convenience and necessity to exercise the right, privilege and franchise granted to applicant by Ordinance No. 124 of the Board of Supervisors of the County of Solano, State of California.

Application No. 17015.

BY THE COMMISSION:

OPINION AND ORDER

Pacific Gas and Electric Company, a corporation, is engaged among other things in the operation of a public utility water system supplying water to the residents of the City of Vacaville and certain territory adjacent thereto and situated without the corporate limits of said city. On or about the sixth day of October, 1930, the Board of Supervisors of the County of Solano passed Ordinance No. 124 granting to the Pacific Gas and Electric Company the right, privilege and franchise of laying, maintaining and using water pipes and conduits along County Road No. 477 and in territory lying within the vicinity of Vacaville. Said company has applied to this Commission for a certificate of public convenience and necessity to exercise the right, privilege and franchise granted by the above mentioned Ordinance No. 124.

It appears that this is not a matter in which a public hearing is necessary and that the authority requested should be granted.

Now, therefore, good cause appearing,

The Railroad Commission of the State of California hereby declares that public convenience and necessity require the operation by Pacific Gas and Electric Company, a corporation, of a public utility water system in that portion of the County of Solano lying within the vicinity of Vacaville as more particularly set forth in Ordinance No. 124 of said county and the exercise by said company of the right, privilege and franchise granted thereunder, provided, however, that said company file with this Commission, within thirty (30) days from the date of this Order, a resolution, duly approved and passed by its Board of Directors, to the effect that said company, its successors or assigns will never claim for the above right, privilege and franchise a value in excess of the actual cost of securing same, which cost shall be set forth in said resolution.

The authority herein granted shall become effective upon the date hereof.

Dated at San Francisco, California, this 24th day of December, 1930.
