BY THE COMMISSION:

EIGHTEEN SUPPLEMENTAL ORDER

In its Decision No. 22564, dated June 23, 1930, this Commission made its order granting certain certification and authorization to Natural Gas Corporation of California, subject to certain conditions, among which were the following:

- (2) That Natural Gas Corporation of California shall file with this Commission, on or before July 31, 1930, certified copies of the franchises necessary for the rendering of the proposed gas service in the communities of Suisun, Fairfield, Vacaville, Rio Vista, Isleton, Winters, Corning, Orland, Maxwell, Williams and Arbuckle.
- (3) That Natural Gas Corporation of California shall file with this Commission, on or before July 31, 1930, a stipulation, duly executed upon authority of its Board of Directors, that applicant, its successors or assigns, will never claim before the Railroad Commission or any other body or court, a value for such franchises in excess of the actual cost thereof.

Also in its Decision No. 22805, dated August 23, 1930, this Commission made its order granting certain certification and authorization to Natural Gas Corporation of California, subject to certain conditions, among which were the following:

- (1) That Natural Gas Corporation of California shall file with this Commission, on or before October 31, 1930, certified copies of the franchises necessary for the rendering of the proposed gas service in the communities hereinbefore named.
