

ORIGINALDecision No. 23754.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the Application of
The People of the State of California
on relation of the Department of Pub-
lic Works, Division of Highways, for
an order authorizing the construction
of an underpass under the tracks of
the Southern Pacific Railway at El Rio,
Ventura County, California.

Application No. 17304.

BY THE COMMISSION:

ORDER

The People of the State of California, on relation
of the Department of Public Works, Division of Highways, on
April 17, 1931, applied for authority to construct State High-
way known as Road VII-Ven-60-B, at separated grades under the
main line track of Southern Pacific Company in the vicinity of
El Rio, County of Ventura, State of California. Southern Pa-
cific Company, on April 29, 1931, signified, in writing, that
it has no objection to the construction of said undergrade
crossing. It appearing that a public hearing is not necessary
herein; that it is in the interest of public convenience and
necessity that the undergrade crossing be constructed and that
the application should be granted, subject to certain conditions,

IT IS HEREBY ORDERED that The People of the State of
California, on relation of the Department of Public Works, Di-
vision of Highways, are hereby authorized to construct a State
Highway known as Road VII-Ven-60-B, at separated grade under
the main line track of Southern Pacific Company in the vicinity

of El Rio, County of Ventura, State of California, at the location more particularly described in the application and substantially in accordance with and as shown by the plans (Exhibit "A") attached to the application, subject to the following conditions:

- (1) The above crossing shall be identified as Crossing No. E-405.2-B.
- (2) The entire expense of constructing and thereafter maintaining the crossing in good and first-class condition for safe and convenient use of the public shall be borne in accordance with an agreement approved by this Commission, a certified copy of which shall be filed within ninety (90) days after the date hereof. Should said agreement not be filed within the above time and further time not be granted by subsequent order, said costs will be apportioned by supplemental order herein.
- (3) Applicant shall file, within ninety (90) days from the date hereof and prior to the commencement of construction, a set of plans for said crossing, which plans shall have been approved by the interested parties.
- (4) Said crossing shall be constructed with clearances conforming to the provisions of our General Order No. 26-C.
- (5) Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossing and of its compliance with the conditions hereof.
- (6) The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 1st day of June, 1931.
