

Decision No. 24054.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of SAN JOAQUIN LIGHT AND POWER CORPORATION, a corporation, GREAT WESTERN POWER COMPANY OF CALIFORNIA, a corporation, and PACIFIC GAS AND ELECTRIC COMPANY, a corporation, for an order of the Railroad Commission declaring that public convenience and necessity require and will require the construction of the gas and electric projects described in this petition and the exercise in connection therewith of all necessary rights, easements, permits and franchises obtained or to be obtained, etc.

ORIGINAL

Application No. 16993.

BY THE COMMISSION:

SUPPLEMENTAL ORDER

In its Decision No. 23216, dated December 24, 1930, this Commission made its order granting certain certification and authorization to San Joaquin Light and Power Corporation and Great Western Power Company of California, subject to certain conditions among which were the following:

- "(4) That applicants, Great Western Power Company of California and San Joaquin Light and Power Corporation, shall file with this Commission certified copies of all franchises used in connection with the electric and natural gas projects authorized herein.
- "(5) That applicants, Great Western Power Company of California and San Joaquin Light and Power Corporation, shall file with this Commission stipulations duly executed on authority of their Boards of Directors agreeing that they will never claim before the Railroad Commission, or any other court or body, for any of the permits, easements and franchises used in connection with these projects, values in

excess of the actual costs thereof, which costs shall be set forth in the stipulations.

- "(6) Upon the filing in satisfactory form of the franchises and stipulations referred to in paragraphs (4) and (5), the Commission will issue its supplemental order authorizing the exercise of the rights conferred by said franchises."

Applicants having now satisfactorily complied with the above mentioned conditions and the Commission being of the opinion that the certificate should be granted, and good cause appearing therefor,

THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA HEREBY ORDERS AND DECLARES that a certificate of public convenience and necessity be and the same is hereby granted to San Joaquin Light and Power Corporation and Great Western Power Company of California, authorizing the construction, completion, operation and maintenance by applicants of those specific projects and the exercise by applicants of the permits, easements and franchises necessary thereto, all as set forth in Decision No. 23216.

The effective date of this order shall be from and after the date hereof,

Dated at San Francisco, California, this 21st day of September, 1931.
