

Decision No. 24081

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
SOUTHERN PACIFIC COMPANY for authority
to close its freight agency station and
establish jointly with Pacific Electric
Railway Company an agency at the freight
station of the Pacific Electric Railway
Company in San Bernardino, in the County
of San Bernardino, State of California.

APPLICATION NO. 17534

BY THE COMMISSION.

ORDER

Southern Pacific Company, a corporation, on July 14, 1931, applied for authority to discontinue its freight agency at San Bernardino Station on the San Bernardino-Riverside Branch of its Los Angeles Division, in San Bernardino County, State of California, and to establish jointly with Pacific Electric Railway Company, an agency at the freight station of the Pacific Electric Railway Company in the City of San Bernardino.

Applicant alleges that Pacific Electric Railway Company's freight station facilities are located immediately adjacent to applicant's freight station, in the City of San Bernardino; that the discontinuance of its agency and the establishment of a joint agency with Pacific Electric Railway Company is for the purpose of effecting economies; that the freight station facilities of the Pacific Electric Railway Company are adequate to accommodate the business handled by said Company as well as the business of applicant; that the discontinuance of said agency will not involve the abandonment of any facilities; and that, in applicant's opinion, the public will be as well served by the establishment of the joint agency as at present.

ORIGINAL

It appearing that a public hearing is not necessary herein,
and that the application should be granted,

IT IS HEREBY ORDERED that Southern Pacific Company is hereby
authorized to discontinue its freight agency at its station of San
Bernardino, located on the San Bernardino-Riverside Branch of its
Los Angeles Division, in San Bernardino County, and to establish
jointly with Pacific Electric Railway Company an agency at the
freight station of Pacific Electric Railway Company in said City
of San Bernardino.

Applicant shall, within thirty (30) days thereafter, notify
this Commission, in writing, of the discontinuance of the facilities
authorized herein, and of its compliance with the conditions hereof.
