LBM Decision No. 24254. BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA In the Matter of the Application of YREKA RAILROAD COMPANY, a corporation, for an order authorizing the issuance and sale of 26,000 shares of common stock of the par value of \$25.00 a share. Application No. 16063 BY THE COMMISSION: ORDER OF DISMISSAL On November 2, 1929 Yreka Railroad Company filed with the Railroad Commission an application for permission to issue and sell 26,000 shares of stock of the par value of \$25.00 per share. Applicant has from time to time requested a continuance of the hearing on this application. On August 5th applicant, through its attorney, asked that this matter be dropped from the calendar until further notice. Since then the Commission has not been requested to replace this proceeding on its calendar. In view of the fact that applicant has not been prepared to submit evidence in support of this application, we believe that the same should be dismissed without prejudice, therefore, IT IS HEREBY ORDERED, that Application No. 16063 be, and the same is hereby, dismissed without prejudice. DATED at San Francisco, California, this < November, 1931. Commissioners
