

Decision No. 24542.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of
 PACIFIC GAS AND ELECTRIC COMPANY,
 LESSEE, a corporation, for an or-
 der of the Railroad Commission of
 the State of California approving
 a certain agreement entered into
 by and between applicant and
 PATTERSON WATER COMPANY, dated
 February 8, 1932.

Application No. 18005.

ORIGINAL

BY THE COMMISSION:

OPINION AND ORDER

This is an application of Pacific Gas and Electric Company, a corporation, for an order approving a certain agreement dated February 8, 1932, made and entered into by and between applicant and Patterson Water Company. A copy of this agreement, marked Exhibit "A" is attached to and made a part of the application.

Under the terms and conditions and during the term specified in the aforesaid agreement, applicant has agreed to sell and deliver to Patterson Water Company, and the latter has agreed to purchase from the former all of the electric energy which said Patterson Water Company shall require for the operation of its electrical machinery and apparatus and in the conduct of its business upon its premises situate at Patterson, County of Stanislaus, State of California, it being provided in said agreement that the same shall become effective as soon as,

but not before, it shall have been approved by the Railroad Commission; that said agreement of February 8, 1932, shall continue in force and effect until the expiration of the term of seven (7) years from its date thereof, and thereafter until terminated in the manner provided in said agreement. Said agreement of February 8, 1932, supersedes and takes the place of that certain agreement entered into by and between applicant and said Patterson Water Company, bearing date of December 1, 1928, relating to the purchase and sale of electric energy.

Under said agreement of February 8, 1932, the charges to be paid to applicant by Patterson Water Company for three (3) phase, sixty (60) cycle alternating current electric energy at eleven thousand (11,000) volts shall be in accordance with the following:

- 1 During first three (3) years \$0.0055 per kilowatt hour
- 2 During remainder of term Schedule No. P-5

The Commission is of the opinion that said agreement is fair to all parties and that a public hearing in the matter is not necessary, and, good cause appearing therefore,

IT IS HEREBY ORDERED that the above mentioned agreement between Pacific Gas and Electric Company and Patterson Water Company, and dated February 8, 1932, be, and the same is hereby approved.

The authority herein granted shall become effective

on the date hereof.

Dated at San Francisco, California, this 4th day
of March, 1932.
