

Decision No. 24715

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
 PICKWICK-GREYHOUND OF CALIFORNIA, LTD.,
 a corporation, for a Motor Carrier
 Transportation Agent's License. } Application No. 18046

BY THE COMMISSION -

O P I N I O N

Applicant herein seeks Motor Carrier Transportation Agent's License for its main office, located at 560 South Los Angeles Street, Los Angeles, California, and for one hundred eighty two (182) branch offices in California. The licenses are asked for the purpose of selling tickets over the lines of Interstate Transit Lines, Motor Transit Company and Pacific Greyhound Lines, Inc., in addition to selling tickets over its own lines. Applicant has answered all questions satisfactorily and has paid the fees required.

Applicant is a California corporation and as such received authority to purchase from Motor Transit Company operating rights for passenger and express service between San Bernardino and Oro Grande (Decision No. 24400, dated January 18, 1932, on Application No. 16733). All its other operations are interstate in conjunction with its parent corporation, Pickwick-Greyhound of Delaware.

A public hearing does not appear necessary and we believe the application should be granted as prayed for.
