

Decision No. 24936.

**ORIGINAL**

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application  
of Tidewater Southern Railway  
Company for permission to abandon  
a non-agency station and spur track  
at Leedom in the County of Stanislaus,  
State of California.

Application No. 18131.

BY THE COMMISSION:

O R D E R

Tidewater Southern Railway Company, a corporation,  
on May 5, 1932, applied for authority to abandon its non-agency  
station and spur track at Leedom, located on its Turlock Branch  
in Stanislaus County, California.

Applicant alleges that no passenger or freight business  
was transacted at said non-agency station during the year ending  
March 31, 1932; and that, in applicant's opinion, the continued  
maintenance of the non-agency is not necessary for the business  
of applicant or for the public. Said station is located 2 miles  
east of Hatch and 1.2 miles west of Joyce.

It appearing that a public hearing is not necessary  
herein and that the application should be granted,

IT IS HEREBY ORDERED that Tidewater Southern Railway  
Company is hereby authorized to abandon its non-agency station

of Leedom in Stanislaus County, State of California; to eliminate said non-agency name from its station records; to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said station, and to remove the spur track at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.
