

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation of
Gas Rates, Service and Operations of
Contra Costa Gas Company, on the
Commission's own motion.

Case 1653

ORIGINAL

BY THE COMMISSION:

THIRD SUPPLEMENTAL ORDER

WHEREAS, in Decision No. 9725 in the above entitled matter, this Commission provided with reference to Schedules Nos. 1 and 3 therein established that such rates, upon approval of the Railroad Commission, would be subject to increase or decrease on the basis of three cents per 1000 cubic feet for each 10 cent increase or decrease respectively in the price of oil above or below the price of \$1.64 per barrel, and

WHEREAS, Contra Costa Gas Company having heretofore filed with this Commission affidavits that the price paid for oil has been reduced by a total of 33 cents per barrel and the Commission having in consequence, in Decisions Nos. 9909 and 10796, ordered reductions totaling 10 cents per 1000 cubic feet, and

WHEREAS, Contra Costa Gas Company now makes affidavit that on August 9, 1922 the price of oil at Pittsburg was reduced to \$1.06 per barrel, this being a further decrease of 25 cents and a total decrease of 58 cents per barrel from the base price upon which rates were established in Decision 9725,

IT IS HEREBY ORDERED that the rates set forth in Decision No. 9725 in Case No. 1653, designated as Schedules Nos. 1 and 3, be, and they are hereby reduced by 17 cents per

1000 cubic feet, effective for all regular meter readings taken on and after September 9, 1922, this being a further reduction of 7 cents per 1000 cubic feet.

IT IS HEREBY FURTHER ORDERED that Contra Costa Gas Company file with the Commission, on or before September 9, 1922, a revision of its schedules to comply with this Order.

Dated at San Francisco this 23 day of August, 1922.
