

Decision No. 10983

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of
J. A. DORR for certificate of public
convenience and necessity to operate
freight and express auto truck service
between Sacramento and Rio Vista, Cali-
fornia.

Application No. 7065.

ORIGINAL

BY THE COMMISSION.

ORDER

A public hearing having been held by Examiner Westover at Rio Vista upon the above entitled application to operate a freight truck service between Sacramento and Rio Vista, the applicant having failed to appear, and the evidence submitted by protestants showing that public convenience and necessity do not require the service proposed by applicant,

IT IS HEREBY ORDERED that the application be and it is hereby denied.

Dated at San Francisco, California, this 14th day of September, 1922.
